

The team to count on when life is on the line.

## Southern Paramedic Service Receives 2022 Best of Brinkley Award

Press Release  
FOR IMMEDIATE RELEASE

**Southern Paramedic Service Receives 2022 Best of Brinkley Award**

Brinkley Award Program Honors the Achievement

BRINKLEY April 16, 2022 -- Southern Paramedic Service has been selected for the 2022 Best of Brinkley Award in the Ambulance Services category by the Brinkley Award Program.

Each year, the Brinkley Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Brinkley area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Brinkley Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Brinkley Award Program and data provided by third parties.

About Brinkley Award Program

The Brinkley Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Brinkley area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Brinkley Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.

### CEO's Message:

Summer is upon us. All over Arkansas, citizens and visitors are celebrating America's Independence. These same folks will be engaging with friends and family, attending events and participating in all kinds of indoor and outdoor activities. In addition to seeing our ambulances and paramedic crews at 9-1-1 emergencies, you will also see Southern Paramedic Services and Southern Care Ambulance crews standing by at numerous events in support of the communities in our service areas. We will be there to build awareness about our emergency medical services and to render emergency care for injured event participants or attendees.

From all of us at Southern Paramedic Service and Southern Care Ambulance, **"Have a safe and fun summer!"**

## Information and tips from the National Safety Council

### Stay Safe in the Heat

4 Keys: Prepare, Water, Rest, Shade

Get help immediately for heat-related illness. Call 911 and get the person to a cool location. While you wait for help to arrive, cool them by any means at hand, preferably by immersing them up to the neck in cold water or applying ice bags or cold packs beside the neck, armpits and groin.

**Fact** Heat-related illness can happen indoors, too. Many indoor workers are exposed to extreme heat, setting the stage for dehydration and heat stress.

### Heat Kills
